flame retardancy

EN 13501, B s2 d0

colorfastness to light

ISO 105-B02

7 (scale 1–8)

additional information

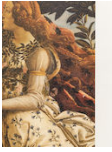

Porak is 320 cm wide with a printable width of 315 cm. The product can be installed horizontally (railroaded) so that the width of the product can be used for the height of the ceiling. This gives a maximum height of 315 cm. The maximum 'width' (roll length) of the print is 30 m.

This image is not part of our collection, but should be regarded as an example.
